My dear Mrs Chapman

How very kind of
You to send me the
lovely flowers - which
I thought, so much
appreciate - how more
than the flowers - though
I am so fond of them,
and they will brighten
up my Rooms in N. Y.
Mr Conrad says -
I hope Mrs Chapman

your daughter is
better this charming
morning and able
to go out to the
wedding - Remember
me to her - and
thanking you again
for your kind thought-
fulness if ever you come
to the Berkshire Hills
you will haunt us up
at Pittsfield - where
we shall be very glad
to welcome you under
our own roof-tree -
The Bishop joins me in

Kind Regards to Jon all — and
Believe me
Most Cordially Yours
Amelia L. Darlington
